

Your
first
time in
South
Korea.

Well?

Inspid
...

I prefer
England.

Anyway,
why are
we here?

Because

He is here.

Vampire Library

Before the
library opens,
we always
have a
staff briefing.

Right...
Let alone the briefing,

nothing is
possible under
this gloom.

Ever since
the flop with
No Name,
that is,
Lotta...

Louis has
become
unnaturally
quiet.

And
Olivia
always
seems
restless.

As for
Carvel...

Difficult
to tell,
since he's
always
like that.

Honestly,

Although I
don't share
the mood...

...I have to
do something.

go
outward

Um, Chief?

I have a
question...

...
What?

That time,
at the club...
we could
communicate
via telepathy.

Is that
normal
between
vampires
and their
contractors?

And, how
did you even
know where
I was?

Indeed.

That is
one of the
abilities that
vampires
and their
contractors
share.

After all,
for any
vampire,

if their
blood supply
disappears,
their life will
also be in
danger.

It allows me
to know your
whereabouts
and activities
anytime. You may
also summon
me in case of
emergency,
and I'll be right
next to you.

... what a
resourceful
method of
stalking!!

But
worry not.
It is useless
unless you
respond
to my
calling.

Smirk~

We do
respect the
contractors'
privacy.

Vampire Library

...
I won't
respond
ever!

I see.

Are there
any other
methods for
tracking
me?

*He makes you
lose everything!*

...
There is
one.

However,

I hope it
never comes
to that.

We can find
our contractors
through the
scent of their
blood.

But only
if a large
amount is
spilled.

However,
in that
case,

it doesn't
matter how
fast I can
find you.

Except
from watching
you die, I
wouldn't be
able to do
anything.

It looks like I've
stepped on a
landmine.

GLUM

The
atmosphere has
taken a turn for
the worse.

..?

Why hasn't it healed yet?

I see.

We
can
also

do this.

Pfft...

What's
with the
dilapidated state
of this place.
Can
he really
be found
here?

Ah!

Master
Carvel-
♥

Glow

It has
been too
long, sir.

Mm.

BLAH

Don't
understand
a word.

BLAH
BLAH

You
are in
Korea.

Speak
Korean.

How d'ya doo? We cum from duh libruree in England. Mai neim is Joshua.

Me. Victoria.

Hello. I'm Mano.

What?! Mano??

Den arr you Master Carvel's contrak-ter?

Yur eyes arr like ows. Arr you reely human??

Wow. Awe-some.

Me. Ask. Very curious.

You.

Spy?

Hunters
know vampire
mutants. Dey
investigate. Der
are rumers.

They're not considering flying
that rumormongering hunter
because they don't want to
and they're not taking their
watchfulness of the hunter.

...
Spy...?

Hunters
don't like
vampire. We in
danger if dey
know. Dis is
very very
important.

They are very proactive,
that's not the matter
concerning the safety of
everybody.

Are they...
talking about
me...?

Der is a spy
among us.

We think it's an
important work. There
must be a spy
among us.

Mano,
put these
books inside
storage.

My
contractor
doesn't like
attention.

So, let us
stop here.

Eh?
Oh,
sure.

I am
sorry.

Love.
Cus-
tomer.

*Insert from

But,

he's the most
suspicious one.

He might look
like one of us, but
he's still a human.

I said,

stop.

Forgive
me.

I have
overstepped
my bounds.

It was
purely
out of the
concern
for your
wellbeing...
Please....

He might
be your
contractor, but
if you indulge
a human
in this much
kindness...

Then I'll
be jealous.

...jealous?

Marc...
a spy?
What are
you
talking
about?

Have
you been
well?

I.
Suspect.

But.
Scared.
Master
Carvel.

STICK

...
when
did
she?!

Louis.

This time.
Really.
With me.
Run away.
For love.

Come. To
England.
OK?

Now, now--
Calm down
both of you.

Let go
of me.
That
little...

Victoria,
you should stop
this now!

...Olivia?

What's
wrong?

I just need to catch some fresh air...!!

Olivia, that's... !!

Ah!

...the wrong way.

What's wrong with me...?

...Why am I so troubled by it?
I'm sure it didn't mean anything.

...I'm fine.
I can stand up myself.

Of course...

I guess,

it was
too soon
after all.

...I had waited
for so long...

If only I knew
I'd turn out like this,
I would have
waited longer...

Hm.

...It seems like I have become a bother.

How
boring.

Joshua.
We leave
Now.
Touring time.

Eh?
Already?

...What
was your
business
here in
the first
place?

Actually,
we only
dropped by
since we're
in the area.

We're
really here
on vacation.

Vacation?

As an incentive for vampires
to maintain their prisons and
continue capturing criminals, all
the libraries are ranked monthly
based on their performance.

FIRST TIME HEARING IT

And the first
prize is
a special
holiday.

To think of it,

I suppose the Korean branch might not have known.

Since you always come second to last.

STAB!

The library that comes in first

Ranked 1st for six months

receives a special vacation ticket, with the chairman's seal on it.

As for last place, Secretary Kim visits them.

Blackout Line past

...No!!

Of course~

HeHeHe ~

I'm sure your result is by design, in order to not stand out.

It couldn't be that...

...you are not aware that
the Korean branch
hasn't captured even
one criminal this month...

or that
you have become
overconfident and
complacent after
capturing just one
Gourmet, right?

For example,
you wouldn't let a
Gourmet right under
your nose escape on
purpose, Right?

Critical hit... !!

Even the
forever-last Norway
library managed to
capture a criminal
this month.

Good
luck!

The deadline
is this week, so do
your best! I believe
in you, Master
Carvell!

...Eh?

Have
those
two left
already?

What did I
miss...

The mood
has become
even darker

Mano,
I'm sorry. We're
working overtime
this week...

Not
again?!

This cursed
world.

It only
revolves around
performance.

*One
criminal...*

*We only
need one...*

And so
they work
overtime,
as always.
